

A Web Service-Based Platform for the Automatic Production of Language Resources

Is it hard to find the words?

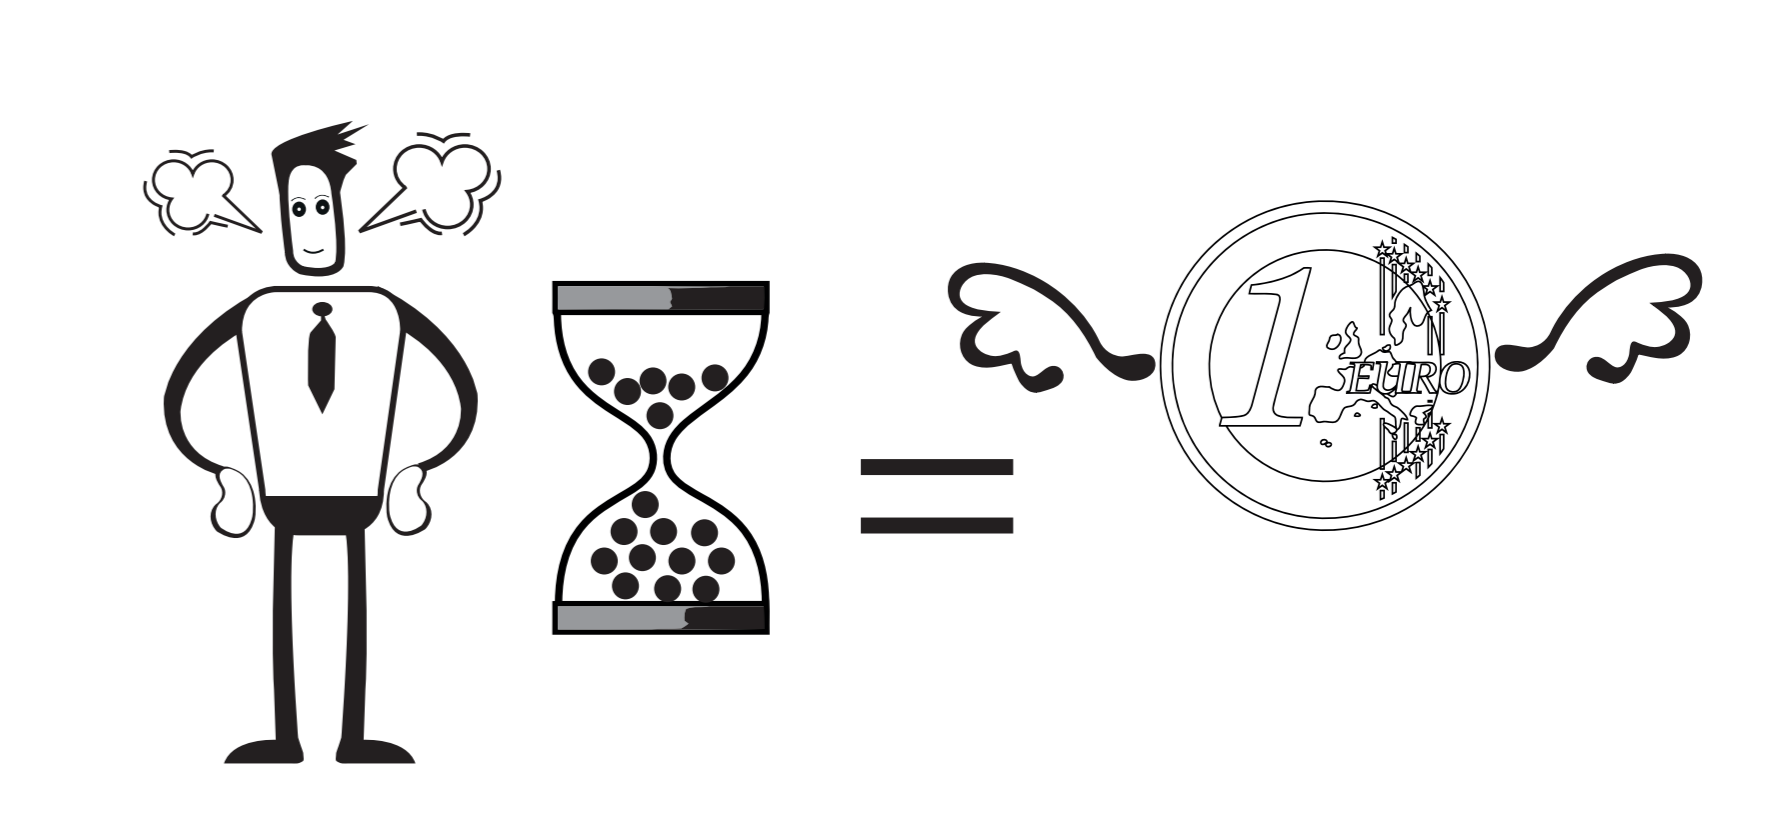

- Actionable knowledge creation
- TMX Machine Translation
- Edition Information Extraction
- Content Generation
- Reputation analysis
- Semantic indexing
- Event tracking Text Analytics
- Analysing Content
- Thesaurus Multilingual Glossaries

Can you not afford the task force?

Are you short of time?

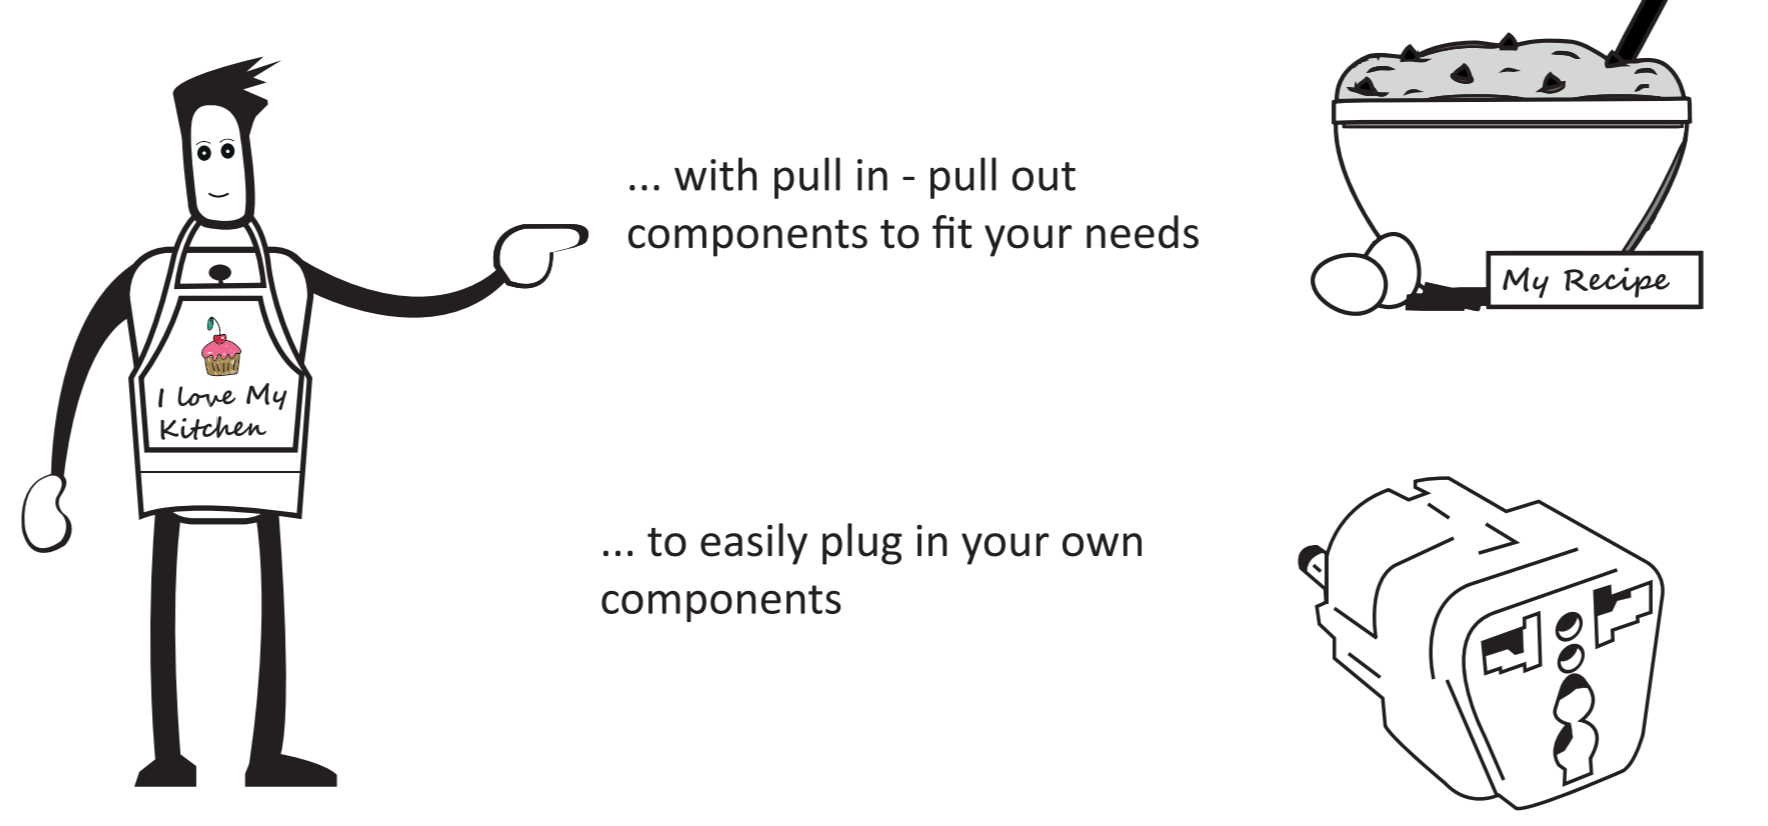

We are creating a tool to assist you

ανανεώσιμων καυσίμων
= renewable fuels

A platform to ...

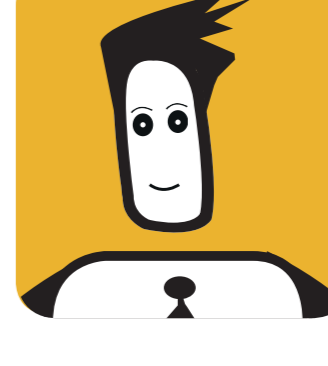

Get the words to work and with the information required by your applications.

... with pull in - pull out components to fit your needs

... to easily plug in your own components

The Language Resource Factory ...

αγοραγοράφαλο	No	wild carnation	Bilingual
ακράσιον θερμοκρασιών	No	extreme temperature	lexica
ακράσιον φαινομένων	No	extreme events	
ακριβής	Ad	precise	
ακτιβιστής	No	activist	
ακυρώσιμος	Vb	counteract
